**SEALED PROPOSALS (BIDS) WILL BE RECEIVED UNTIL 3:00 PM, EDT,  
MONDAY, FEBRUARY 25, 2019**

Board of County Road Commissioners of the County of Manistee, 8946  
Chippewa Highway, Manistee, Michigan 49614.

**BID REQUIREMENTS:**

SIR: The undersigned has examined the location(s) of the work described herein and is fully informed as to the nature of the work and conditions relating to its performance and understands the quantities shown are approximate and are subject to either increase or decrease.

The undersigned hereby proposes to furnish all necessary equipment, tools, apparatus, and other means of construction, do all of the work, furnish all materials except as otherwise specified herein; and, for the unit prices named in the **attached Itemized Bid Form**, to complete the work herein described in strict accordance with the plans and the requirements of these bid documents.

The undersigned further proposes to perform extra work (for items that are not included with the itemized form) that may be authorized by the Manistee County Road Commission (MCRC). Compensation for extra work will be made on the basis of an agreed upon unit price prior to performing the extra work.

**SPECIFICATIONS AND PLANS:**

All materials, equipment, and construction methods used on the project(s) shall be in accordance with the applicable sections of the Michigan Department of Transportation (MDOT) 2012 Standard Specifications for Construction, MDOT supplemental specifications, and the attached project work logs, plans, special provisions, and other bid documents.

**MISCELLANEOUS INFORMATION:**

The project is being constructed so the road can be used as a portion of the traffic detour during the MDOT M-55 Cooley Bridge over the Pine River construction work and the construction work is being funded with funds from MCRC, State of Michigan and Norman Township. The MCRC will obtain bids for the project and administer the project, however the MDOT may also have some involvement with the construction of the project.

M-55 through traffic will be detoured down Snyder Road (instead of Seaman Road) after completion of the Snyder Road project.

**PROGRESS SCHEDULE:**

Begin all work after receiving notice of award of contract from the MCRC.

The Contractor must submit a complete, detailed and signed MDOT Form 1130, Progress Schedule, to the Engineer within seven (7) calendar days after award and prior to starting work. The Progress Schedule must include, as a minimum, the controlling work items for the completion of the project, as well as the planned dates or work days that these work items will be the controlling operations.

The entire project must be completed on or before the final project completion date of **June 22, 2019**.

Liquidated Damages shall be assessed in accordance with Section 108.10 of the 2012 Standard Specifications for Construction.

After award and prior to the start of the work, the Contractor must attend a preconstruction meeting with the Engineer and the Owner (Manistee County Road Commission) at the MCRC. The Engineer will arrange the day and time for the meeting.

**COORDINATION CLAUSE:**

The Contractor is advised that other projects in the vicinity will be under construction during the life of this contract. These include 1). An MDOT project involving rehabilitation of the M-55 Cooley Bridge over the Pine River, and 2). Construction of turn lanes and approach upgrades along M-55 at the USFS Chittenden Nursery Site near Tippy Dam Road. The MDOT Cooley Bridge project includes detouring M-55 through traffic onto Seaman Road, Hoxeyville Road, 48 ½ Road and M-37.

**BID GUARANTEES:**

The undersigned enclosed a certified or cashier's check on an open solvent bank, or bid bond, in the amount of not less than \$2,000.00 payable to the Manistee County Board of Road Commissioners as a guarantee of good faith. If the undersigned is the successful bidder, and fails to enter into a contract or to furnish satisfactory bonds to the Board of Manistee County Road Commissioners within fifteen (15) days after being furnished with the necessary contract and bond forms, said check, or bid bond, shall be forfeited to the Board of County Road Commissioners as liquidated damages. It is understood that the check, or bid bond, of the selected bidder will not be returned until the contract has been executed, and that the proposal guarantees of all except the selected bidder will be returned promptly.

This bid guarantee will cover all projects shown in these bid documents.

**INSURANCE REQUIREMENTS:**

The successful bidder shall furnish proof of standard Owner's Protective Liability and Owner's Protective Property Damage Liability Insurance within ten days upon notification of award of the Contract and prior to beginning work on the project(s). The following minimum requirements must be included on the certificate of insurance:

Bodily Injury or Death Liability:

Each Person.....	\$500,000
Each Occurrence.....	\$1,000,000
Aggregate.....	\$2,000,000

Property Damage and Physical Damage to Property Liability:

Each Occurrence.....	\$1,000,000
Aggregate.....	\$2,000,000

The permittee or contractor shall name the MDOT and the MCRC as additional insured, by name on the certificate of insurance worded as follows:

“The Michigan State Transportation Commission, the State of Michigan and the DEPARTMENT and its employees Board of Manistee County Road Commissioners, the Manistee County Road Commission, and their officers, agents, and employees, are named as additional insured parties.”

The policy shall state that the DEPARTMENT and the MCRC must be given thirty (30) days written notice before said insurance is altered or cancelled.

**DELAYED ACCEPTANCE, FINAL INSPECTION, AND PAYMENT TO CONTRACTOR:**

The MCRC Manager and/or Construction Supervisor (or designated representatives) will inspect the project with the Contractor one (1) week prior to the final project completion date. If deficiencies are found, corrective work is required. Complete all corrective work by the final project completion date, or by an agreed upon date. All costs associated with completing this corrective work, to the satisfaction of the MCRC, will be borne by the Contractor.

Note: MDOT representatives may also attend the final inspection for the project.

**The MCRC will not pay the Contractor for the work performed on the project until after the inspections are completed, corrective work is completed (if necessary), and the project is accepted by the MCRC.**

**PROJECT QUANTITIES AND INVOICING REQUIREMENTS**

The Contractor shall document and record the "As-built" quantities for the pay items for the project as the work is being performed.

The Contractor shall provide load tickets for materials placed (HMA, aggregate, etc.) on the project to the MCRC and/or their representatives.

"As-built" quantities will be verified by the MCRC and/or their representatives.

It is important for the Contractor to provide accurate documentation and invoices to the MCRC for review, consideration, and processing.

**MEASUREMENT AND PAYMENT:**

The completed work, including all materials, labor, and equipment, as measured, will be paid for at the contract unit price for the items (pay items), as shown on the Itemized Bid Form.
