April 23th - May 1st

July 16th - 24th

Sept. 24th Oct 2nd

Remember your supplies are provided for you!

Stop by the Road Commission to get your AAR bags and vests!

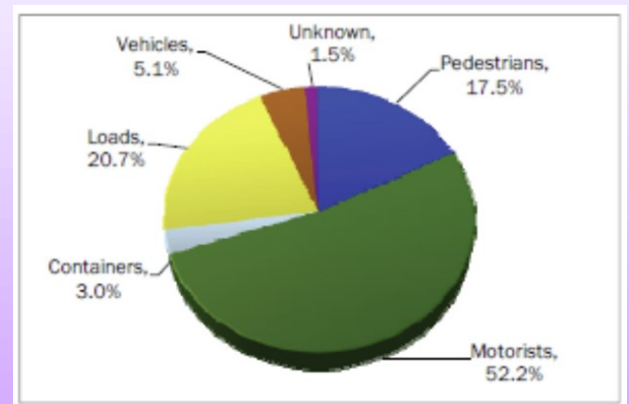

Litter on Roads and Highways

Litter on roads and highways is the result of individual actions.

- Motorists and pedestrians contribute a combined nearly 70% of litter over 4 inches. Along roadways and highways, motorists generate 52.2% of litter and pedestrians 17.5%.
- Motorists not properly securing truck or cargo loads, including collection vehicles, represent 20.7% of roadway litter 4 inches-plus.
- Vehicle debris and improperly secured containers, dumpsters, trash cans or residential waste/recycling bins represent another 8.1% of litter over 4 inches.
- Packaging litter comprises nearly 46% of litter 4 inches and greater. This includes fast food, snack, tobacco, and other product packaging. And 61% of beverage containers 4 inches or greater on U.S. roadways are soft drink and beer containers.

THANK YOU!

We thank all our Adopt-A-Road groups for their tremendous efforts to beautify Manistee County's roadsides this past year. Your commitment to service has made a visible difference in the attractiveness of our roadsides and given us more reason to take pride in our county.

If you need more information or have any questions?

Please call the Office at (231)889-0000.
