The above-named applicant hereby makes application to do the type of work allowed by this permit for the year 2026 in the County of Manistee.

- The type of work allowed by this permit is limited to the following operations:
- A. Maintenance of facility including Tree Trimming (no work plan required). The permit holder shall clear trees from side of road right-of-way to the farthest point of clearing. No buffer of trees between the road and the cleared area for lines shall be allowed. All brush, trees, and debris shall be removed from R.O.W. **Any brush, tree or debris left will be removed after 30 days by the Road Commission on a time and materials basis and all costs shall be the responsibility of the permit holder.** (a)Contact and secure permission of the abutting property owner where necessary. (b)Dispose of all limbs, logs, stumps and litter in a manner acceptable to the Commission. (c)Comply with any additional supplemental provisions deemed necessary.
 - B. To the extent required by law, the Company, at its' expense, will maintain the facilities located within the highway right of way so such facilities will not interfere with the use of the highway by the traveling public.

THIS PERMIT OBLIGATES THE APPLICANT TO THE FOLLOWING CONDITIONS:

- 1. Give written notice to the Road Commission at least two (2) days prior to commencement of operations covered by this permit. No work except emergency work shall be performed on Sundays or legal holidays unless authorized by the Manistee County Road Commission.
- 2. In any and all operations under this permit, meet all requirements of the MDOT 2020 Standard Specifications and Supplemental Specification or as revised.
- 3. Any operation in the right of way not covered by the above specifications, submitted with this permit, shall be done in accordance with Commission requirements.
- 4. Take, provide, and maintain all necessary precautions to prevent injury or damage to persons and property from operations covered by this permit and use safety devices which are in accordance with the Michigan Manual of Uniform Traffic Control Devices.
- 5. The Board of County Road Commissioners makes no representation that it is authorized or permitted to grant or confer the within right, interest or authority and, therefore, any right, interest or authority herein granted or conferred upon the within named applicant is only to the extent that the Manistee Board of County Road Commissioners is authorized or permitted to grant or confer said right, interest, or authority, and as such, the applicant accepts the within permit with a full understanding and knowledge of the within limitations.
- 6. Hold harmless the Manistee County Road Commission against any and all claims for damages arising from operations covered by this permit and upon request, furnish proof of insurance coverage for the term of this permit.

A permit as requested in the foregoing application subject to the conditions to which applicant therein agrees, is hereby granted for the period commencing January 1, 2026 and ending December 31, 2026. The period applied for and granted in this application and permit covers activity within the right of way. The obligation to operate, use and/or maintain the facility to the satisfaction of the Commission remains in force as long as the facility exists and is within an area under the jurisdiction of the Commission.
